

We Are Living The The End Times

By David J. Stewart

The Bible plainly teaches that we are truly living in the END TIMES of Biblical prophecy. In the following interpretation of Nebuchadnezzar's image, Daniel told the king that God has revealed the future to him (and to us as well). As you will learn in the following Scriptures, we are now living in the time of the TOES of clay and iron (a DIVIDED KINGDOM amongst the nations). Here is the interpretation which God gave to Daniel of Nebuchadnezzar's dream...

Daniel 2:36-49, "This is the dream; and we will tell the interpretation thereof before the king. Thou, O king, art a king of kings: for the God of heaven hath given thee a kingdom, power, and strength, and glory. And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all. Thou art this head of gold. And after thee shall arise another kingdom inferior to thee, and another third kingdom of brass, which shall bear rule over all the earth. And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdueth all things: and as iron that breaketh all these, shall it break in pieces and bruise. And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay. And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken. And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay. And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever. Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure. Then the king Nebuchadnezzar fell upon his face, and worshipped Daniel, and commanded that they should offer an oblation and sweet odours unto him. The king answered unto Daniel, and said, Of a truth it is, that your God is a God of gods, and a Lord of kings, and a revealer of secrets, seeing thou couldest reveal this secret. Then the king made Daniel a great man, and gave him many great gifts, and made him ruler over the whole province of Babylon, and chief of the governors over all the wise men of Babylon. Then Daniel requested of the king, and he set Shadrach, Meshach, and Abed-nego, over the affairs of the province of Babylon: but Daniel sat in the gate of the king."

There have been 6 world powers throughout history; namely, Egypt, Assyria, Babylon, Medo-Persia, Greece, and Rome. We read about these "kings" in Revelation 17:9-11, "And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth. And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition."

Revelation 17:10 says 5 kings are fallen because Rome was still in power during New Testament times when Revelation was written in A.D. 96. Revelation 17:9-11 makes perfect sense in view of Daniel 2:36-49. Daniel's interpretation (as revealed by God in Heaven) clearly evidences that we are today living in the End Times.

Nebuchadnezzar was the head of gold (Babylon). Medo-Persia was the breast of silver. Greece was the thighs of brass. The Roman empire was the legs of iron. Rome fell to ruin in 486 A.D.; today there are no world-powers, only super-powers. The 7th kingdom is the New World Order!!! The Bible says in Revelation 17:11 that the 8th king (that is, the Antichrist) is of the 7th.

America is a Thorn in Their Flesh

Americans own billions of guns and ammunition and are not going to turn them in just because Uncle Sam says so. There will be bloodshed in the streets when our economy implodes and the 2nd Amendment is banned. When people lose everything, they lose it.

Secretaries of State, Janet Reno and Hillary Clinton have made very clear that guns will eventually be banned in America. That's the only way the [criminals](#) who've hi-jacked our nation ([which president JFK warned us about](#)) can do here what they did in Nazi Germany. Without the 2nd Amendment's right to own and bear arms (guns), the other Amendments and Constitutional rights have no way of being enforced. No guns equals no rights!

First the 911 attacks in New York were orchestrated by the sinister global elite as a pretext to raise up a Police State in America. Then they created all sorts of oppressive laws in the Patriot Acts to strip American citizens of all their Constitutional rights. They've already recruited 26,000 naive U.S. pastors to join their treasonous [Clergy Response Teams](#), and will threaten the rest of churches with taxation by revoking their [501c3 tax-exemption status](#) if they don't go along with government tyranny. That's the entire reason why 501c3 tax-exemption for churches was started in the first place, that is, to buy off the churches. The best way to eliminate your enemies is to make them your friends.

The hypocritical government has banned the Bible and prayer from all public schools on the premises of separation of Church and State; but then they turn around and make the churches business partners through 501c3 licensing. It is unbiblical for Christians to apply for state-licenses to have a church. A 501c3 corporation is a business mechanism, period. A 501c3 organization is NOT a church, never has been a church, nor ever could be a church. A New Testament church is two or more believers gathering together in Jesus name for the purpose of the work of God—exalting the Savior, evangelizing the sinner, and edifying the saints. Most pastors are apostate, cowards, more resemblant of a mortician in a morgue (dead churches) than a red-hot preaching preacher who loves the Lord Jesus Christ.

Most pastors don't even have a real Bible, using the [perverted and corrupted New International version](#) (NIV) instead of the inspired and preserved King James Bible. It is no coincidence that as Americans turn in their spiritual Sword (God's Word) for a toy NIV Bible (a plastic knife), that our nation is also becoming soft and are turning in their real weapons (guns). Sin always undermines a nation. America's spiritual leaders have lost their minds. **Jeremiah 10:21, "For the pastors are become brutish, and have not sought the LORD: therefore they shall not prosper, and all their flocks shall be scattered."** What a Scripture! Most pastors weren't seeking the Lord the Bible says. The people were not being shepherded. The Hebrew word for "brutish" means "lacking reason, insane." The average pastor today is saturated with sinful arrogance, pride and a twisted understanding of reality.

Literally, God said the pastors had lost their minds. This is certainly the case in America today where many pastors are joining the government's *Clergy Response Teams*. Will they also tell their congregations to board the train to Auschwitz? Yes, they will! Except this time it will be the buses going to Hardin, Montana. A \$27,000,000 massive prison complex was built and completed in 2010 in Hardin, Montana (to house political subversives when our economy implodes). Foreign troops will march on American soil and smash the resistance of Americans who resist the tyranny of the New World Order. The [dots are being connected](#), the storm clouds are gathering, and the end of the United States is inevitable. [Entire American Middle Class will Fall Under the Poverty Line in Five Years](#) (by 2015).

While America and other free nations enjoy liberty, many people are brutally tortured and murdered in third world and fascist countries such as Burma, Africa, North Korea, Cambodia and many other places. Some places are free and have a republic or democratic type of government; while other places are afflicted under a Communist regime of tyranny and oppression (such as Communist China today and their one-child policy. It began as a tax in China, which is what will happen next in America, and eventually a one-child policy).

Eventually, the 8th king will be the evil Antichrist who will rise out of the 7th kingdom. As you can see, we are definitely living in the Last Days of Bible prophecy. There will never be another nation to rise as a world conquering power. Rome was the last. The Illuminati-controlled New World Order, operating through the Council On Foreign Relations and the United Nations are the 7th kingdom that will rule the world. They are moving quickly to set up a world dictatorship.

Many Americans are leaving the country for Mexico, South America, and places like Panama to escape the rising Police State...

Border Crossing – The country has become a police state superb since 9/11. There is an international no fly list. It was originally meant for people coming into the USA from abroad. Now it includes those leaving the USA going abroad. It also includes those entering or leaving by ship. As of late it includes those traveling

from one state to another. Now a passport is needed to leave and of course return from the USA. To get on a plane one needs acceptable ID. Apparently not all state driver licenses are acceptable any longer. So they have effectually readied the country for a closing of the borders in and out at a moments notice. We are also told that smuggling people out of the US is a bigger business than smuggling people into the USA.

I suppose there are many who have had their passports pulled who are leaving. Could also be people wanted by authorities. Perhaps a few deep thinkers want to leave the USA and not let the authorities know they have left. The point here is you might not be able to leave much longer. A few short years ago you could just walk out of the USA without showing any ID to the USA. No longer the case. If they start to require exit visas you may find yourself ineligible. You might be in lawsuits and the opposing party files a request to keep you in the country during the case. This usually requires a bond and is not unheard of in other countries. If you owe state or federal taxes, have open judgments, owe child support, have pending court cases etc you may not be allowed to leave the country. When the government decides to tighten the screws they will make it very difficult to leave. You are their property, as they see it.

Banking – Banks can at any time refuse to send a wire transfer. They can ask for reasons and comply or refuse. You have no recourse. They could also report a wire as a suspicious transaction causing your account to be frozen, seized, confiscated or whatever. You have zero rights in practice anymore. It is a simple matter to stop all international wire transfers if you are not a publicly traded corporation. They could also require an invoice to send an international wire, which must be approved, by the sending bank. There could be non-compliance penalties for the bank. There could be a bank holiday imposed where the banks are closed for a period to prevent runs on the bank. The point is you might have your money stuck in the USA. This is especially likely as hyperinflation sets in due to the declining value of the dollar.

Martial Law – The USA put martial law provisions in place for ominous reasons. They can invoke martial law anytime they want. This closes the borders, highways, roads, banks, etc. Getting trapped in Rome while it is burning can be a very unpleasant experience.

Why Obama Does not Fear a Declining Dollar – He would prefer the world to stay stupid and keep taking the worthless dollar but he is a realist and knows those days are drawing to a close. A global currency the USA and UK get into will just be another piece of worthless paper. They can only live with a money system where they can control the money supply freely without any basis in assets. This way the elitists can have all the money their businesses require and the regular people can suffer when they reduce the money supply causing recessions, bankruptcies and loss of their homes, cars and goods which go to the rich through the banks who do the repossessions.

So Obama knows there is going to be change. His way out is to go communist. The USD becomes worthless script money. There will be currency controls preventing regular people from having any foreign currency. Gold and Silver ownership will also be curtailed as in the past. Then comes price freezes. So wages stay the same. Prices stay the same except imports will be very costly so most things will be grown and manufactured in the USA. The dollar will be so low in value that goods will be cheap and competitive for exporting. Foreigners will come to USA to open businesses.

The labor is skilled and since they are paying in USD the labor will be cheap. Homes will be cheap, restaurants, maids, gardeners etc. USA will be third world except there will be a lot of skilled labor available to work cheap. The model will work but will require a form of communism. The country will need to be locked down to prevent a "Brain Drain". This is where the highly educated and skilled people like doctors, engineers, etc start leaving the USA for greener pastures. This they are not going to let happen. They are also not going to let people leave with their assets, if they have any. The dollar will be so cheap most will never be able to afford to leave.

Things Will Get Better – This is what people tell themselves as a way of doing nothing and playing the I hope game. The dollar will keep sinking. Hyperinflation will set in. This will cause civil unrest. Civil unrest wrecks neighborhoods; it does not take the government out of power. For this the military probably has to be involved. Unemployment will continue to grow. The police state will increase. The prison population will grow and will rapidly be converted to a cheap labor source. Notice how they are cutting out the rehabilitation programs and education in prison. They are even cutting food rations. The back end to this is if you work you get better food and more and better recreation when not working. Basically you get to go to a work camp versus a detention center. This is a cheap source of labor.

Obama is not going to let go of his grip. He has big problems regarding his eligibility for the Presidency. He is going to look to grab onto any crisis he can to take more control. He may want a few years of martial law. He may even make a crisis. If you think he is going to be moved by peaceful demonstrations, forget it. He has his own agenda, which is not yours. He is breaking his campaign promises in wholesale quantities. The people will probably do nothing. Patrick Henry is long gone. The safest bet is to watch the show from the sidelines outside the country. Get out without delay. Those who leave first, leave with the most. There are millions of people thinking of leaving but they do not make any firm plans and execute them. We know only too well how this can end. Police states always leave the door open for the dissidents to leave. They do not want them there since they will cause trouble later. They want those who are going to resist to leave. So go.

Foreign troops will march on American soil and smash the resistance of Americans. Former Minnesota governor, Jesse Ventura, moved to Mexico to get away from the rising American fascist Police State! Humanity is the enemy.

Even So, Come Quickly, Lord Jesus!

Ultimately, the stone (the Lord) cut without hands in Nebuchadnezzar's image will smash the kingdoms of this earth into smithereens and Jesus Christ will set up His kingdom to reign. Despite the large number of patriots, militia groups, constitutionalists and Christians who won't simply bow to the New World Order, the criminal global elite are incrementally setting up a total fascist Police State quietly under our noses. By the time things get rough and tough, it will be too late. Within one mere year of time, TSA has gone from sticking their hands down passenger's pants at the airport in 2010 to sticking their hands down football fans pants at all sporting events now in 2011. In a short time, you won't be able to go ANYWHERE without being strip searched by Homeland Security, TSA, and a host of government agencies. It was the Godless CIA (the most evil organization in the world) working with the corrupt FBI that began Homeland Security to police American citizens. We are witnessing [the book 1984](#) happening in real life!!!

Of the 8,000 Jews who were taken into captivity into Babylon, only 3 refused to bow to Nebuchadnezzar's golden image (obelisk). Those three men were Meshach, Shadrach and Abed-nego. Daniel is not mentioned because he sat in the gate of the king as Daniel 2:49 teaches.

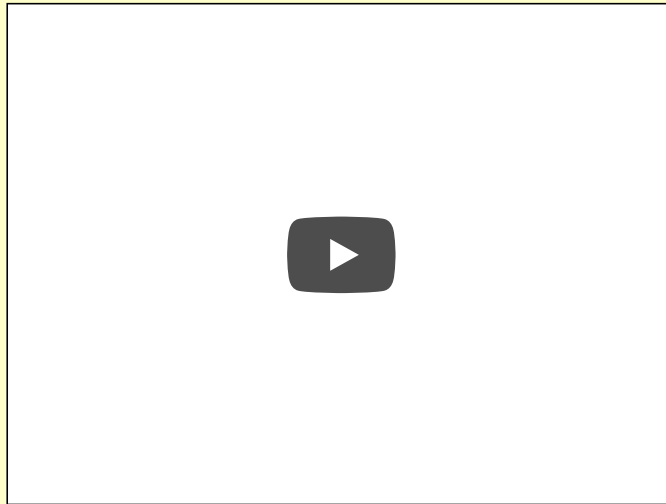

What a day it will be when the Lord returns, and I believe it will be very soon! The Bible teaches that no man can know WHEN the Lord will return (neither the day nor the hour); but the Bible doesn't say that we cannot know the prophetic signs of the times. Daniel 2:36-49 clearly evidences that we are going into the 7th kingdom, from which the Antichrist will arise.

The New World Order (**NWO**) was hardly ever mentioned in the mainstream newsmedia until the 1990's, but it is now a frequently used term. The term goes back at least a century, although the plot for World Government goes back to the tower of Babel in Genesis 11:7-9. Satan as the god of this world (2nd Corinthians 4:4) has been trying to unite men against God since creation; hence the reason for the flood in Genesis 6. The whole world had become corrupt and every imagination of men's heart became evil.

By Genesis 11 the world was going back to the same condition of Noah's day, so God miraculously stopped them by segregating them around the world and changing their languages. This was a safeguard built into humanity by God to prevent the apostasy of Noah's day. Albeit, God knew that the technological revolution in the End Times would once again allow mankind to unite against God. English is now becoming the universal language. America has more influence upon the world than any other nation. The internet is bringing the world together.

We are witnessing the homogenization of the world's religions. All of the world's religions are joining the New Age movement, tolerating other faiths and embracing homosexuality. I believe homosexuality will play a big role in the End Times. Concerning the Antichrist the Bible says in **Daniel 11:37**, “Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.” If the Antichrist will not regard the desire of women, that sounds homosexual to me! I am convinced that the Antichrist will be a homosexual. President Obama since elected has [appointed 190 LGBT to high-level government positions](#). America is in big trouble! Homosexuals will show no mercy when the power of the law is in their hands against born-again, God-fearing, Bible-believing, openly anti-homosexual Christians.

Bilderberg is no longer a secretive organization. Bohemian Grove was blown wide open in 2000, crashed by Alex Jones. Numerous books have been written exposing the CIA, FBI, Freemasonry, The Council On Foreign Relations, The Trilateral Commission, the Federal Reserve Bank, the World Bank, the IMF, United Nations, and other key players in the NWO game. It's all about seizing power and control. I believe that the clay in the toes of the image are the nations and people who are against the NWO, and are fighting against tyranny and Communism. I don't think the NWO will ever achieve the control they'd like to achieve, but they will control the major cities of this world, where the masses are being herded like cattle for the slaughter. A simple food shortage could lead to pandemonium in just 3 days, and cannibalism in 15. Think about it! Food, water and oil prices are going to triple because of artificial scarcity created by the criminal global elite...

All Believers Will Be “CAUGHT UP” When the Lord Returns

1st Thessalonians 4:17 plainly teaches that all believers, the dead first and then the living, will be “CAUGHT UP” when the Lord returns. This is exactly what the word “Rapture” means, although the word itself is not found in the Bible. Likewise the word “Trinity” is not found in the Bible, but the all-important Word “Godhead” most certainly is if you use the faithful King James Bible (Acts 17:29; Romans 1:20; Colossians 2:9). All modern corrupted Bibles completely remove the word “Godhead,” and in so doing commit woeful injustice against the inspired Word of God.

After the 7-year Tribulation Period, the Lord is going to return to the earth, at the Second Coming. The Lord is going to remove the Church away from the earth at the Rapture; but the Lord will return WITH all the saints at the Second Coming.

An easy way to remember this truth is this:

The Lord...

- **came TO HIS OWN 2,000 years ago.**
- **is coming FOR HIS OWN at the Rapture.**
- **is coming WITH HIS OWN at the Second Coming.**

May I say friend, if you have never been born-again by the Spirit of God, then you will not receive a glorified body when the Lord returns. In fact, you will be left behind to suffer the wrath of God poured out upon the earth in the

Tribulation. Billions of people will die in the last 3 1/2 years of the Tribulation, Biblical referred to a time of "Great Tribulation" (Matthew 24:21).

Will You Be Left Behind?

Whether you die before, during, or at the end of the Tribulation, if you are not saved God will punish you in Hell for ever. You will also receive some form of body, but it won't be a body fashioned like unto the glorious body of the Lord Jesus Christ. Jesus said to "**fear him which is able to destroy both soul AND BODY IN HELL.**" The wicked will be given bodies that can withstand the extremely hot fires of molten sulfur in Hell, suffering in excruciating physical pain, yet your body will not be consumed in the flames. What a horrible place to spend eternity!

One of the worst things about Hell the Bible says, will be knowing all that you could have had in the glory of the Lord's presence in Heaven for all eternity; but you chose to spend eternity in the torments of the Lake of Fire. **Luke 13:28, "There shall be weeping and gnashing of teeth, when ye shall see Abraham, and Isaac, and Jacob, and all the prophets, in the kingdom of God, and YOU YOURSELVES THRUST OUT."** 2nd Thessalonians 1:8-9, "**Who shall be punished with everlasting destruction FROM THE PRESENCE OF THE LORD, and FROM THE GLORY OF HIS POWER.**" You'll endure an eternal nightmare in Hell, suffering in torments, having no rest day nor night, and you'll be completely forgotten about. Proverb 10:7, "...the name of the wicked shall rot."

How will you feel knowing that you're burning in Hell, while others are enjoying themselves in the splendors of Heaven's riches, and you could have had it all for FREE? Is that what you want? Death is right around the corner for all of us my friend. This life is like a vapor that's here one second and gone the next. **James 4:14, "Whereas ye know not what shall be on the morrow. For what is your life? IT IS EVEN A VAPOUR, that appeareth for a little time, and then vanisheth away."**

Mark 1:15, "And saying, The time is fulfilled, and the kingdom of God is at hand: [REPENT YE, AND BELIEVE THE GOSPEL.](#)"

1st Corinthians 15:58, "Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord."
